

Material Safety Data Sheet (2001/58/EWG)

Page 1 of 3

Product.....**Rinse Solution (Yellow)**
Code1060002RSL

Revised on: 11.09.2003
Date of printing: 07.01.2005

1. Identification of the substance / preparation and company

Trade name: Rinse Solution (Yellow)
Producer: OCP GmbH
Eickener Straße 71
D-45525 Hattingen
Germany
Chem. name / preparation: Water-based solution for flushing ink-jet cartridges internally
Emergency phone: +49 / 511 / 6479513
+49 / 172 / 286 69 03

2. Composition / Information on ingredients

Chem. Characteristic: Aqueous solution ca. 92% [\approx 4,8% VOC] (mixture of auxiliaries, alcohol and surfactants; ethanol less than 3%) < 0,001% of yellow dye for identification purposes, only

3. Hazards

Specific hazards: No specific health hazards

4. First aid measures

After contact with skin: Wash off with plenty of water and soap
After contact with eyes: Rinse thoroughly with plenty of water; if necessary consult a physician

5. Fire-fighting measures

Supplementary advises: Not flammable

6. Accidental release measures

Methods for cleaning / taking up: Pick up with absorbent material; wash off with water

7. Handling and storage

Advice on safe handling: No special measures necessary; delivery, storage and so on in common plastic containers
Supplementary advises for storage conditions: In closed rooms 55° max

Product.....**Rinse Solution (Yellow)**
Code1060002RSL

Revised on: 11.09.2003
Date of printing: 07.01.2005

8. Exposure controls / personal protection

Protective equipment: Users should take care about personal protection which is common using chemicals or chemical preparations (gloves, glasses).

9. Physical and chemical properties

Appearance: liquid
Colour: light yellow
Smell: sweet
Flash point: not below 100°C
(Self) inflammable: no
Density at 20°C: 0,985 – 1,005 g/cm³
Solubility in water: completely mixable
pH value: 8,3 – 9,3 pH

10. Stability and Reactivity

Hazardous decomposition products: No thermal corrosion if proper stored and handled

11. Toxicological information

Toxicological tests: No health warnings noted.

12. Ecological information

Details to elimination: n.a.
Ecotoxic effect: n.a.
Further remarks: ./.

13. Disposal considerations

Product (recommendation): Large quantities can be disposed by taking care of regulations of the local authorities. Small amounts can be flushed with water to sewer.

Uncleaned packing: Use water; if necessary add tensides

Revised on: 11.09.2003
Date of printing: 07.01.2005

14. Transport information

ADR:

RID:

ADNR:

IMDG:

IATA:

Not dangerous product
in general, keep separated
from food

15. Regulatory information

Markings: S24/25: Avoid contact with skin or eyes
National regulations: n.a.
Water hazard class: 1

16. Other information

This information is based on our present state of knowledge. It should not therefore be construed as guaranteeing specific properties of the products described or their suitability for a particular application. The observation of existing laws and determines is the own responsibility of the users.
